Worksheet 11: A House Plan for a Future Home Helper

Companion to Who Will Teach the Robots?, *Chapters 22 and 23*

Household: Date:

How to use: Home robots that learn household routines are a hopeful prediction, not today's reality. You can write the rules now, and most of them already apply to the helpers you use today.

Rule	Our answer
Consent. What may it offer without asking? What must it always ask about?	
Privacy. Where doesn't it go? What doesn't it keep? Who doesn't it tell?	
The right to say no. "If I say no, drop it."	
Correction. Name it, give the reason, save the fix.	
Checking before trust. What we spot-check, and how often	
Who can change the rules
